Medical Supply Chain (MSC) Mission

DMOnline is the official website for the DLA Troop Support Medical Supply Chain (MSC). Our mission is to provide the military medical community the products and services needed every day for every crisis around the world. Our goal is to provide our customers and commercial trading partners a convenient, state-of-the-art, readily accessible web portal that enables them to efficiently and effectively accomplish their business.

Prime Vendor Program

The Prime Vendor Program's mission is to lower DLA's medical inventory while benefitting our Customers with reduced costs and providing a true partnership with our Suppliers. Prime Vendors are a single distributor of brand specific Medical supplies who provide next day delivery. [Learn more...](#)

Web-Based Ordering through ECAT

Our Web-based ordering system, the ECAT Program, enables Medical's customers to browse, compare, and purchase over 1 million medical items. ECAT offers payment methods including government and commercial credit cards. Web-based ordering saves DoD customers the cost involved in obtaining items through processes like local purchase and MILSTRIPS. [Learn more...](#)

The Scope option allows you to target your search to a specific theater supplier or to all theater suppliers.

[Using Theater Item Search Tutorial](#)

Enter any or a combination of the following: words from item description, part number(s), or theater supplier Item Id. This search does not require that all entered search criteria match all item information. It will return the items that most closely match any of the words and/or part numbers in your search criteria. Search Tips:

- Plurals are assumed. "GLOVE" will match "GLOVES".
- Word order is not important. "VINYL EXAM GLOVE" is the same search as "GLOVE VINYL EXAM".
- In general, avoid common words like "MEDICAL", "SIZE", "SURGICAL", etc. unless they are necessary to further target a search with more specific words.
- Individual words can be wildcarded. "651501149884" GLOVE" will match anything that starts with "651501149884" or has "GLOVE" or "GLOVES" in the description.
- Wildcards are only allowed at the end of words. **Wildcard character changed from "%" to "\$" .**
- Use wildcarding wisely. Depending on what you enter, it could result in a slow search result.
- If you know the Item Id, enter it.
- If you know the part number or prime vendor order number, enter it.

Search results are ordered by descending match score, then stocked Y/N, then descending annual purchase value.

Each row represents a single item at a single supplier and the information displayed about the item on a row is in the context of the supplier identified in the SOS column.

The availability column is intended to provide a statement of how readily a particular item is at a particular supplier. See help for a complete explanation of all possible availability entries.
